

TRADE SCHOOL SCHOLARSHIP APPLICATION

APPLICATION DEADLINE: MARCH 6, 2025

MPE's Trade School Scholarship Program provides \$2,500 to \$10,000 scholarships from an annual pool of up to \$25,000 from our Unclaimed Capital Credits Fund. These single-year awards are open to traditional and non-traditional applicants. The MPE Scholarship Committee's criteria includes how compelling/impactful each applicant's required essay is, along with academic performance, community involvement, and work experience. Recommendations for scholarship awards are sent to the MPE Board of Directors, which has the final authority with respect to awarding scholarships.

Traditional Applicant

Entering/entered trade school immediately following high school

Non-Traditional Applicant
