

SCHOLARSHIP PROGRAM

ELECTRIC-INDUSTRY SCHOLARSHIP APPLICATION

APPLICATION DEADLINE: FEBRUARY 5, 2027

MPE's Electric-Industry Scholarship Program provides \$2,500 to \$10,000 scholarships from an annual pool of up to \$25,000 from our Unclaimed Capital Credits Fund. These single-year awards are open to traditional and non-traditional applicants. The MPE Scholarship Committee's criteria includes how compelling/impactful each applicant's required essay is, along with academic performance, community involvement, and work experience. Recommendations for scholarship awards are sent to the MPE Board of Directors, which has the final authority with respect to awarding scholarships.

☐ **ACKNOWLEDGMENT:** If I am selected as a scholarship recipient, I understand that a requirement to receive the funding is to attend MPE's Annual Meeting. Note: For those with a school/athletic conflict on the date of the Annual Meeting, alternative accommodations can be made for attendance at an MPE Board Meeting during the summer.

☐ **Traditional Applicant**

Entering electric-industry program immediately following high school

☐ **Non-Traditional Applicant**
